Solution: These are, without exception, inappropriate inquiries, a phrase which here means "all the wrong questions". Here are the questions you should have asked instead:

(a) Why would someone say something was stolen when it was never theirs to begin with?

(b) How could someone who was missing be in two places at once?

(c) Why would someone destroy one building when they really wanted to destroy another?

■

Solution (R. Rotten): Alright! I can see that I will have to teach you how to be *villains!*

(a) Now listen closely. Here's a little lesson in trickery. This is going down in history. If you wanna be a Villain Number One, you have to chase a superhero on the run. Just follow my moves, and ^{sneak} around. Be careful not to make a sound! Shh! No, don't touch that!

$$We = \#1^{\text{Hey!}}$$

(b)

```
HaHaHa(net):
    net.found ← now
    LookAt(net)
    in parallel:
        for i ← 1 to 100
            if said_go = True
                net.ReadyToThrow ← True
        said_go ← True
    if net.ReadyToThrow
        Throw(net, him, ¬me)
    Try(banana.peel)
```

```
Try(somethingelse):
    Watch( )
    Learn( )
    deal.location ← here
    return Slip(somethingelse) ∧ Slide(somethingelse)
```

HaHaHa(*Gasp!*) What are you *doing!?*

(c) Ba-ba-biddly-ba-ba-ba-ba,[1] ba-ba-ba-ba-ba-ba-ba, we are number one. Hey!
Ba-ba-biddly-ba-ba-ba-ba, ba-ba-ba-ba-ba-ba-ba, **VILLAIN NUMBER ONE!**[2]

(d) Ba-ba-biddly-ba-ba-ba-ba, ba-ba-ba-ba-ba-ba-ba, we are number one. Hey!
Ba-ba-biddly-ba-ba-ba-ba, ba-ba-ba-ba-ba-ba-ba, we are number one. Hey!
We are number one, hey! We are number one! We are number one! Hey! Hey!

■

---

[1] According to https://genius.com/Lazy-town-we-are-number-one-lyrics. It sounds more like "Daah-dat-dadyadyat-dat-dah-dah. . . " to me, but whatever.

[2] Genius Lyrics missed this line entirely.

CS/ECE 374 Spring 2021   Hunson Abadeer (habadeer)
Homework 0 Problem 3   Martin Mertens (mmertens)
Urgence Evergreen (gunterno)

Solution: Let n be an arbitrary non-negative integer. There are four cases to consider:

- Makin' pancakes, makin' bacon pancakes

- Make some bacon and I put it in a pancake

-

- O shit waddup

■
